

Hopeful Bliss

By

Ronald Van Deurzen

Written by

Steve Sheppard

The lightness and almost pristine nature of this new single **Hopeful Bliss**, apart from being something we all need right now more than ever, is utterly transcendent. The artist **Ronald Van Deurzen** has created a masterstroke of a release with this new offering, one that offers up an empowering tone and energy, to lift humanity's spirits and indeed hopes for the future.

The multi-instrumental soundtrack style of this single is going to be immensely popular, and its vibrancy will hit hot spots with many listeners across the globe as they seek solace from the raging storm around them. **Hopeful Bliss** is a single filled with passion and a positive intent, and virtually guaranteed to be a huge success on its musical journey into our hearts.
