Something we all need now is a little bit of **Faith**, things will get better and perhaps **Oscar Pascasio** has created the soundtrack to the expectant event. The lightness of touch on this piece is palpable and beautiful to flow with; Pascasio has created a sun kissed reverie here to thoroughly enjoy each and every moment with.

The delicacy of performance shows the classy professionalism by the artist, one that manifests a single that has one word written into the weave of the song, hope.
