There can now be no doubt that **The Song Gardeners** have brought about, and are bringing about, a musical revolution in this new wave of New Age music, their latest single comes on the back of the huge success of taking the *One World Music Radio's Oneness Award*.

**Reveal** is another step in the right direction for the band, who are *Mary Gospe*, backing vocals, *Corrie Dunn* lead vocal and piano, and with *David Scheibner* guitars and producer supreme.

The song sings of freedom and empowerment, and its uplifting and driving messages of tearing down the walls of indignity and empowering the people, through peaceful solutions are a breath of ultra-fresh air in the genre and there can be no denying that **The Song Gardeners** have just released what is going to be yet another huge hit on their ever growing roll of honour.
