Wayne Bethanis made a statement with his last single "*I Am*" and he is back now with a truly charming offering called **Satisfied**. Bethanis has become a leading artist in the world of inspiring piano pieces, and with the slight stringed backdrop and the sounds of children at play, he has produced one of the most heart-warming piano pieces this year.

The performance is both emotive and meaningful and allows us a moment of reflection to perhaps say we are grateful for what we have in our own lives, and to always set our intent for the best possible outcome within them.

Wayne Bethanis is an artist that creates such rich tapestries within his music and **Satisfied** is another fluent and passionate piece, which once more raises us the listener, to new heights of musical awareness and expectation of goodness.
